Change to Deputy Head Hours

Holy Trinity will be seeing a little less of Mr McCulley after Half Term as he begins his liaison with his new school, St.

Peter's CE Primary School in Henfield. Mr McCulley will take up Headship at St. Peter's in September, but, after the half term holiday, will spend part of each week visiting the school in preparation for his new role. Mr McCulley will continue to carry out his Deputy Head duties at Holy Trinity, and his teaching commitments will be covered by Mrs Saunders, Mrs Whinder and Mrs Duarte.

We know parents and carers would like to join with us in wishing Mr McCulley well for the future and we will enjoy the time he spends at Holy Trinity in the second half of the term.

New Leadership Appointments

We are delighted to announce that Mrs Saunders and Mrs Smitherman have both been appointed as interim assistant headteachers for the coming academic year. We know they will both do an excellent job as part of the leadership team.

SEND Parent/Carer afternoon: Book your place

Friday 10th June between 2.15pm - 3.15pm, led by Mrs Dann (SENCO) and Mrs Smith (Special Needs Teacher)

The focus for this term's meeting will be 'working memory'. Working memory plays an important role in concentration and in following instructions. Weak working memory skills can affect learning in many different subject areas including reading and maths. We will be discussing strategies for supporting weak working memory and how these can be used both at home and in school.

Please do come along and join us - this is open to ALL parents. Tea/coffee and biscuits will be supplied. Please let the school office know if you would like to come along by Monday 6th June, so we have an idea of the numbers.

School Lunches

Reminder, that this Sunday is the cut off to book school meals for your child for the week after half term. Without your booking your child will not be on the hot meals listings and will need a packed lunch all week.

Kwik Cricket Update

Last week saw the Year 6 team play out at Bolney Cricket Club and put on an amazing performance, coming third overall - we are just awaiting confirmation that the Year 6 team will be through to the next round. Many thanks to Mr Gibbons and Mrs Schlup, for taking children to the tournament and staying with the children throughout the afternoon.

Year 6 team: Will GG, Toby V, Flinn H, Oli S, George H, Erika T, Tilly B, Katie E

Olympic Day

After half term we have our Olympic day to look forward to on the 9th June. The children will start the day off with our opening ceremony and they will then all take part in some sporting events organised by our Sports Crew and Charity team throughout the day.

Your children will come home this week with a sponsorship form to raise money for Sports Relief and we are asking the children to get busy persuading friends and family to sponsor them while they all work hard to show their skills as future Olympians! We are asking for any money raised to be returned to school by the end of the following week Friday 17th June. We are sure the children will have a fantastic time and look forward to your support for making this a successful fundraising day.

Weatherman Wows on School Visit

Year 3/4 children were extremely lucky to have a visit from a TV celebrity this week: Jay Wynne, a BBC weatherman. The visit formed part of this term's topic, *Whatever is the Weather?*

Mr Wynne enthused the children about the weather and how a forecast is produced. He chatted about the pros and cons of his job and shared some trade secrets: he informed his audience that he doesn't use a script, but tells a 'story'. There isn't even a cameraman in the studio - it's all automated.

Polite Reminders.....

Don't Forget!

- Children should not enter the school using the vehicle gate – please use the pedestrian access at the field entrance only, for your child's Health and Safety
- Dropbox is now situated by the field door.
- Please check for head lice and treat if necessary.
- Please make sure your child/children know who is collecting them at the end of the day, before they come to school.
- Please *do not* put nuts or nut products or chocolate in packed lunches.
- School uniform includes smart brown or black shoes please, no trainers or boots
