

HOLY TRINITY CE (A) PRIMARY SCHOOL, CUCKFIELD
Minutes of Full Governing Body Meeting
Held on Wednesday 21st November 2018 at 6.00pm at the school

	<p>2. Urgent items Nothing to report</p> <p>3. Have there been any significant complaints to report to Governors? None since last meeting.</p> <p>4. New school website Currently on hold due to staff shortage in office.</p> <p>5. Approve school trip Governors have already approved next year's Year 6 Kingswood residential trip.</p> <p>6. IT and Geography Subject Leader reports Governors received these reports from 2017-18 (which were slightly delayed after the summer term's FGB meeting). It was noted that the IT one in particular was rather out-of-date as the school has now installed new equipment and is fully implementing the new National Curriculum. Governors discussed the reports:</p> <ul style="list-style-type: none"> a. <i>What is the purpose of the reports?</i> Governors would like to keep abreast of curriculum developments as well as impact assessments, but do not want to create more work for teachers. b. <i>How can they be used to monitor objectives and achievements?</i> It was agreed that it would be useful to see Subject Leaders' evaluation reviews against their action plans as these are already being produced. These reports will be available next term and will be provided to TLE Committee. c. <i>Is Purple Mash being fully utilised?</i> The school has a subscription to this programme. SS will check how it is being used. d. <i>Does the school conduct Geography field trips?</i> Yes, there have already been trips this year. Teachers also met to discuss the History and Geography syllabuses and how best to introduce practical skills. Reports to follow next term. <p>7. Website update The school website has been updated with a new page: Our School – Vision & Values. This also includes an overarching Bible verse as recommended by the new SIAMS Inspection Schedule: <i>1 John 4: 16: 'God is love and those who live in love live in God, and God lives in them'.</i> The website is undergoing an overall review and will also be updated in line with new SIAMS requirements.</p> <p>8. Warden Park Secondary Academy (Sussex Learning Trust, SLT) admissions consultation (previously circulated) Governors discussed the WPSA proposal with particular reference to:</p> <ul style="list-style-type: none"> a. The current WPSA Admissions Policy gives priority to pupils attending its SLT feeder schools. Other pupils are accepted on the basis of proximity and therefore HTS pupils invariably gain places. b. The consultation document indicates that WPSA will not operate with a specific catchment area, but continue to give its SLT feeder schools priority, but that there will now be an additional new school (Farm Primary Academy, opening with Reception only in 2020). A potential further 60 pupils will therefore take priority over HTS pupils, bringing the total to c180 and leaving 120 places for other children. c. While proximity is still likely to favour HTS pupils who live near HTS and therefore WPSA, this could have an impact on pupils further away and governors were also mindful of the smaller schools which might lose pupils to SLT feeder schools. d. Governors also pointed out that the WPSA declared vision is education 'for local people, by local people'. 	<p>SS</p>
--	---	-----------

	<p>e. Governors agreed that the GB would collectively send a letter expressing concerns and this would be published on the school website. AMG will draft this and send to governors. Parents are also welcome to respond to the consultation individually.</p>	AMG														
	<p>9. Headteacher and/or CoG to sign Harrison contract Governors agreed that the Headteacher and Chair of Governors should jointly sign the contract with Harrison. AMG and JP will follow up with NH. AMG also reported that the new school meal provider has been very successful with increased uptake by pupils.</p>	AMG JP

AMG and SS will follow up other possibilities, eg funding by the PTA to bring in external support.</p> <p>e. <i>How has the school coped with the recent staffing issues?</i> AMG reported fully to TLE, but all staff are coping well.</p> <p>f. 8.	<p>Committee Chairs’ Reports <i>(previously circulated)</i> Governors were invited to raise any questions on the reports from the following committees.</p> <p>1. Resources <i>(full details in minutes 12.10.18)</i></p> <p>a. Governor Fund <i>(draft accounts previously circulated)</i> TH reported that the accounts are currently being audited. Governors noted the increase in rental income. TH reported that Jo Steadman has been thanked for this and</p>															

	<p>also that she will be stepping down at the end of this year. Another parent will be sought to take on this role, or possibly an Associate Governor.</p> <p>b. PCC contribution TH reported that the annual £1500 donation had been received from the PCC in the summer. Unusually this had been banked directly by the school rather than into the Governor Fund. Governors agreed that next year, the donation would revert to the Governor Fund, but this year the school would retain it and use it towards sundries to which governors contribute, including flowers for the Bonfire Night host (c£30) and other agreed staff gifts (total agreed allocation £250).</p> <p>c. Approve 3-year budget (previously circulated) SM and MA had reviewed this in detail and budget figures were provided by NH and a summary report by MA. SM reported with particular reference to:</p> <ul style="list-style-type: none"> • The new WSCC requirement for schools to set a three-year budget is part of the transition to the new National Funding Formula which involves significant reallocation of funds. • As a result of the expansion HTS finds itself in a situation where both this year and in 2020-21 more teachers will be required than are technically budgeted for, ie a class of 45 will need two teachers as if there were 60, but the school only receives funding for 45. The WSCC Growth Fund is not granted every year to make up any shortfall. • NH has budgeted against projected pupil numbers of 405 in Year 3 (2020-21). However, the school must make every effort to ensure full capacity of 420. • The teaching staff make up the greatest cost as the staff are very experienced. The school must aim to make savings where possible, eg by employing NQTs. • Current figures indicate that the school will be submitting a deficit budget. WSCC will probably visit to investigate where savings could be made. Many schools are likely to be in the same situation. • Governors approved the budget as presented (<i>see below</i>); the deadline for submission is 30.11.18. <p>Governors thanked MA, NH and SM for their work on this.</p> <p>d. Strategic plan for staffing/premises/ICT spending update AMG reported that the SLT has reviewed projected staffing costs and will be reviewing the curriculum budget. Premises costs will be reviewed at the next RC meeting. SM will produce a report once all the figures are available.</p> <p>2. Teaching, Learning & Ethos (full details in minutes 09.11.18)</p> <p>a. SJ and JP had attended recent Diocesan training on the new SIAMS Inspection Schedule. JP expressed some concerns about the requirements. Governors (including SJ, JP) will have the opportunity to discuss this in detail with the Diocesan Education Partner (DEP), Jonquil King on 26.11.18.</p> <p>b. JP pointed out that the WSCC model Complaints Policy has been adopted (approved by TLE) with the addition of a clause to permit a Complaints panel to consider written evidence only.</p> <p>3. Admissions JP reported that the Admissions Committee had reviewed the policy and there were no changes. Governors approved the policy. VB will submit this to WSCC and the Diocese.</p> <p>4. Pay</p> <p>a. TH reported that all teachers' Performance Management had been conducted and pay increments approved as recommended.</p> <p>b. The next Pay Committee meeting will be 18.12.18 after Headteacher's Performance Management.</p> <p>c. The Pay Policy will be approved once available from WSCC.</p>	<p>SM</p>

Governors have already signed (last FGB 19.09.18) to confirm receipt of a copy of the latest WSCC Safeguarding & Child Protection Policy and that they have read Keeping Children Safe in Education Sep 2018, section 1 (<i>previously circulated</i>). 4. SJ reported that he had found a Volunteer Risk Assessment form, which in theory removes the need for volunteers who will never be alone with children to undertake a DBS check. However, HTS will continue to require an enhanced DBS check on all volunteers. 	
10.	Health & Safety/Premises <ol style="list-style-type: none"> 1. PR reported that he is working with SC to ensure the school is up-to-date with its H&S checks. 2.
