Introduction

Holy Trinity CE Primary School runs a variety of after school clubs. We expect such activities will develop self-esteem, enjoyment and a sense of achievement in our pupils.

Children will:

- Have greater understanding of health and fitness and opportunities to opt for physical activity to encourage a healthy lifestyle, when attending sports clubs
- Learn and develop new interests, skills and talents eg. singing, music, cookery, art etc
- Show a desire to improve and achieve in relation to their abilities and aspirations
- Develop the appreciation of the concept of fair play, team play, honest competition and good sportsmanship when attending sports clubs.
- Understand safe practice and develop a sense of responsibility
- Promote self-esteem through physical competence and learning new skills

Club providers

Clubs are delivered by school staff, volunteers from our local community and expert and specialist third parties. All club providers are required to sign an agreement with the school to ensure that educational standards are maintained and good practice is applied.

Safeguarding

- All club providers undergo checks in line with the school's usual safeguarding procedures.
- All club providers are expected to adhere to the school's Safeguarding and Child Protection Policy
- All club providers are advised to have an up-to-date first aid certificate but it is essential that those who supervise children outside of the school office hours are required to have a First Aid Certificate
- First Aid and accident procedures have been put in place as part of the Service Provider's agreement
- The Club Provider is responsible for all children until they are collected by their parent/carer. Any child not collected on time at the end of a school club will wait with the club provider, who will contact parent/carer and wait with the child until they are collected.
