

HOLY TRINITY CE (A) PRIMARY SCHOOL, CUCKFIELD Minutes of Full Governing Body Meeting Held on Wednesday 22nd May 2019 at 6.00pm at the school

Present: Mark Andrews (MA), Nicola Brewerton (NB), Christine Davies (CD), Tracy Humphrey (TH), Simon Janvrin (SJ, Co-Chair), Rosie Langhorn (RL), Ann MacGregor (AMG, Headteacher), John Maher (JM), Rev Michael Maine (MM), Sarah Moss (SM, Vice-Chair), Josephine Notaras (JN), Janice Peek (JP, Co-Chair), Philip Richings (PR), Sally Smitherman (SS, Assistant Head) **Apologies**: Emma Saunders (ES, Assistant Head) **In Attendance**: Verity Brown (Clerk to the Governors)

Min.	Subject A				
1.	Opening Prayer MM opened the meeting with a prayer. 				
	2. JP chaired this meeting.				
2.	Apologies for absence				
	Received and accepted as above.				
3.	Declarations of Interest				
	No declarations (in addition to any annual declarations recorded at the first meeting of the year).				
4.	Approval of previous Minutes (previously circulated)				
	Minutes of FGB meeting of 20 th March 2019 were approved as a true record, and signed by JP.				
5.	Matters affecting Governing Body				
	1. Staff governor vacancy				
	Governors welcomed Mrs Rosie Langhorn as the new Staff Governor.				
	2. Foundation governor vacancy JP reported that she and SJ had met three potential candidates for the Foundation governor vacancy. It was agreed that one would be appointed immediately, once the Diocesan application process has been completed, and the others would be on a waiting list pending further vacancies. JP will initiate the application.	JP			
	3. GB structure It was agreed to rearrange the committee membership to balance numbers, so SJ will join the Resources Committee. The Committee structure will be reviewed again at the beginning of the next academic year.				
	4. GB skills audit Governors were reminded to complete the NGA Skills Audit for review next meeting.				
	5. Governors' Challenge competition & Eco Strategy CD reported that a number of ideas had been suggested and the next step will be to meet with AMG and staff to decide the best way forward.	CD/ AMG			
	 6. Solar panels a. CD reported that she had met with Jane Fitzpatrick (JF, RePower Balcombe (RPB) Education Officer). JF will design an information board for the school to display. There have been problems with the solar panel data feeding into the display monitor. NB 				

	suggested that her husband should examine the school's software as he originally installed the system. NB and CD to follow up.	NB, CD
7. LE	D lighting update	
	orted with particular reference to:	
•	PR had received quotes of c17K from N Smith to install LED lighting across the school.	
	PR had also spoken to RPB which had previously offered to install LED lighting at the	
	school, but they do not currently have the capacity and advised the school to proceed	
	with the WSCC scheme (below).	
C.	PR investigated a WSCC approved scheme whereby schools take out a loan from SALIX to install LED lighting. This costs c£14K with potential savings of £20K over seven years.	
	WSCC take a 5% management fee.	
d.	MA had reviewed the calculations and reported that in order to present the savings	
	claimed, the scheme assumes an increase in energy prices of 10% per year which is not	
	certain, in which case there might be no savings.	
e.	The school would be committing to an annual repayment of £2500 on the loan. The school would need further clarification on what would happen if the school was in deficit and could not make the repayments. SALIX says the loan would be capped, but details are not clear. On balance MA did not consider the project worth pursuing on these terms from a financial point of view, although it was noted that there are other benefits to LED lighting: environmental issues and better quality lighting for pupils and staff.	
Gover	nors considered other solutions:	
f.	It was agreed that CD would ask RPB to consider HTS again for its LED scheme once it has	CD
	capacity. HTS is one of RPB's best performing schools from the solar panels with c£1000	
	saved since the installation.	
g.	MA and PR will ask SALIX about more flexibility on the loan and whether the school could	MA
	contribute half the cost as a lump sum (from the Governor Fund) and have a reduced	PR
	loan.	
h.	It is likely that the cost of LED lights will reduce so a phased installation of LED lighting	
	was suggested which could possibly be in three phases to be completed when the school	
	can afford each one.	CD
i.	Governors agreed that it would be a good idea to inform parents about the savings. CD	٨N
	will get an up-to-date figure from RPB and AMG will write to parents.	
	ilet block update	
•	viously reported, the school had received its allocation of £60K from the Diocese LCVAP	
	has been proposed to use this towards four new toilet blocks (previous quotes suggested	
c£15K	per toilet block). Conditions of the grant include additional charges which means that the	
school	may have to make up the difference to complete all four blocks, depending on final	
quotes	5. The school must also appoint an approved architect as project manager and PR had	
volunt	eered to represent governors in this project and has interviewed three architects so far.	
	e pointed out that it is probably too late to arrange the project for this summer holidays	PR
	weeks are needed). PR will report back in due course. It may also be necessary to review	
-	of the grant with the Diocese as the original deadline for the project was 31.03.20. NB	
report	ed that it may be possible to source an additional grant for the project.	
9. He	alth & Safety update	
	orted that he and SC had completed the annual check (<i>previously circulated</i>) and regular	
•	tions were being conducted with no current concerns.	
	nors thanked PR for his work on these projects.	
[PR lef	t the meeting at 6.35pm]	
40		
	SCC Governance Survey for comments overnors had reviewed this document and agreed the following should be added to the	
	veryors had reviewed this document and agreed the following should be added to the	1

			1
		relevant sections:	
		Where has the GB had the greatest Impact?	
		 Completion of the installation of solar panels on the roof 	
		• Achieving "Good" at OFSTED inspection, with the good work of the governors recognised	
		• Developing, with the school, a five-year Strategic Plan to agree spending priorities and	
		resources	
		 The GB approved the school's catering contract following a tender process 	
		• The GB has close links with the Grounds team to oversee use of the school's extensive	
		grounds	
		 Creating an annual summary of the work of the GB for parents 	
		Working closely with the school to complete the Diocesan SIAMS Self-Evaluation	
		GB contribution to school SDP and SEF	
		What have been the main challenges?	
		Finance; increasing number of SEND children requiring extra and specialised help: child	
		and staff welfare; long-term absence of two key members of staff: Assistant Head and	
		Office Manager (sickness)	JP/
			VB
		JP and VB will update the survey and return to WSCC by the end of this term.	
6.	Ma	Itters arising and current school issues	
.		Review actions from previous meetings (Rolling Action Plan below)	
		All actions from previous meetings had either been discharged, were covered elsewhere on	
		the agenda or if still pending are detailed at the end of the minutes.	
		a. AMG will thank the Bonfire Committee and parents who are involved with this.	
		b. The PTA has agreed to run the summer camping event bi-annually.	
		b. The FTA has agreed to run the summer camping event branndary.	
	2.	Urgent items	
		AMG reported that a boy had broken his arm falling off the monkey bars. All risk	
		assessments had been carried out and he had permission to use the equipment (parents can	
		withhold permission). AMG has spoken to and written to the boy's mother about the	
		incident and clarified the school's procedures and actions on this occasion.	
	3.	Have there been any significant complaints to report to Governors?	
		None.	
	4.	Approve school trip	
		None to approve.	
	5.	Strategic Plan for staffing/premises/ICT/PTA spending update (previously circulated)	
		SM had updated the five-year Strategic Plan (originally produced by NH and AS, for IT) and	
		governors thanked her for her work on the detailed figures and summary document	
		(<i>previously circulated</i>). The plan shows high, medium and low priorities and will continue to	
		be updated, eg to include the LED lighting.	
1			
1	6.	Governor Fund update/allocation of PCC contribution (previously circulated)	
		TH reported that end of year accounts will be provided for the next FGB meeting. The fund	
		currently holds c£26K. Governors need to agree where to allocate some of these funds.	
1	7.	Website	
		As previously reported understaffing of the office this year has prevented SR from working	
1		on the proposed new website. AMG and NH are reviewing staffing for the office and finance	
1		support and once these posts are filled, SR will have more time to devote to the website.	
1		Governors agreed that both content and format need to be updated; this will be overseen by	
1		AMG and the SLT. It will be important to reflect the school's Christian ethos in a separate	
		section of the website as pointed out by Jonquil King (JK), the Diocesan Effectiveness Partner	
		(DEP) on her recent visit, 21.05.19.	
			l

 Staff Survey results AMG reported that the SLT has reviewed the results of the survey and she will provide a summary report for next meeting. Some of the concerns raised have been dealt with immediately. 						
9. SIAMS AMG reported she, MM, JP and Julie-Anne Dell had spent considerable time updating the new SIAMS Inspection Schedule framework. This was reviewed with JK (DEP) on 21.05.19. JK announced that following several complaints about the new SIAMS framework being too long and unwieldy, the Diocese had decided to change it to a much shorter version. Governors agreed that the school should not do any more work in the document pending further clarification from the Diocese. Feedback from JK's visit will inform the 2019-20 School Development Plan (SDP). TLE will create a cribsheet on the school vision.						
Th pa sc	arents/carers f	e updated. AMG will do this by r feel there is too much communic ew the information that is provid	cation and some feel th	nere is too little. The	AMG	
	•	port (previously circulated) ited to raise queries on the repo	rt. Key points include:

	5.	Staffing Are there any staffing issues?
		Are there why stuffing issues:
		a. Governors were pleased to hear that, all being well, Emma Saunders will be
		commencing a phased return to work after half-term.
		b. AMG and NH are reviewing office staff hours (see item 6.7)
	4.	Quality of Teaching
		a. Could governors receive the Subject Leader reports?
		Governors do not want to create work for teachers but would welcome the reports
		which are being produced anyway as internal documents. These will be provided for
		next meeting. b. How did SATs go?
		There was very good feedback from parents as to how the SATs were run,
		particularly the 'fun' element for Year 2. AMG pointed out that the school has to
		manage an increasing number of children who need special consideration, eg quiet
		space, adult readers etc. Governors expressed thanks to all adult helpers.
	5.	Outcomes
		What data reports are available?
		AMG reported that new data reports will be available for next meeting. NB will review
		this in detail with AMG before then. The SATs results will not be out before next
		meeting, but AMG will circulate these as soon as possible afterwards.
	6.	Personal development, behaviour & welfare
		Governors are welcome to attend the forthcoming staff meeting on mental health. The
		school is trying to arrange a session from the Diocese for the September INSET day as
		part of the SLA, but this has not yet been possible.
	7.	Safeguarding
		Are there any safeguarding concerns? (AMG's Safeguarding report previously circulated)
		AMG reported on two racist incidents (same child, name calling); these were not reported to WSCC on the request of the parents who felt the perpetrator was too young.
		reported to wsee on the request of the parents who felt the perpetrator was too young.
		Governors thanked AMG for her report.
		ttee Chairs' Reports (minutes previously circulated)
		nors were invited to raise any questions on the reports from the following committees.
		sources (RC minutes 10.05.19 and detailed budget reports previously circulated) Approve 2018-19 account and 2019-20 budget
	a.	Governors approved the 2018-19 year-end results and carry forward of £50,629.45 as
		recommended by RC.
	h	Approve 2019-20 budget
	υ.	In light of the additional costs borne by the school over the last year through long-term
		sickness, RC governors agreed that the school would initially present a deficit budget. It
		is possible that WSCC will provide some additional funding to cover these unexpected
		costs (£28K), but this has not yet been confirmed. NH had updated the 2019-20 budget
		after the strategy meeting on 17.05.19 and this was circulated for the FGB. Governors
		approved the budget as presented, but there are likely to be further conversations with
		WSCC about a recovery action plan.
	2. Te a	aching, Learning & Ethos
	No	meeting since last FGB. No queries.
	Safogu	arding
9.	Jaiegu	

10.	Health & Safety/Premises				
	See item 5.9				
11.	General Data Protection Regulations (GDPR) report				
	Nothing to report.				
12.	Policies				
	Reviewed and approved in line with the school's Christian ethos by the Governing Body				
	1. Complaints Policy (previously circulated)				
	Governors approved the new WCC model Complaints Policy, which reinstates the clause that				
	governors may choose to consider written evidence only from a complainant.				
	(WSCC model policies: Governors have agreed to adopt all WSCC model HR policies and latest				
	guidance for use by HTS, including any updates as they are put in place by WSCC)				
	[MM left the meeting at 7.50pm]				
13.	Governor Monitoring Visits (previously circulated)				
15.	Governors were invited to raise questions on the following visit reports:				
	dovernors were invited to raise questions on the following visit reports.				
	1. Pupil Premium (JN)				
	a. How does progress for HTS PP pupils compare with other schools?				
	This is very difficult to measure, because some, but not all, PP pupils may also be SEND				
	pupils in which case attainment may not be in line with national Age Related				
	Expectations (ARE). However, no allowance is made for this when judging a school's				
	results as PP and SEND pupils are expected to make the same amount of progress as all				
	other pupils.				
	b. What are the criteria for receiving PP?				
	A family's annual income must be below £7500 which means that not many families are				
	eligible. Once a family receives funding for a child this is allocated every year for six				
	years. HTS encourages parents to apply for the funding if appropriate; the forms are				
	available from the school office and website and may be provided by Reception teachers				
	on pre-school home visits.				
	c. How is PP spent?				
	Funding is allocated to specific pupils and closely monitored. Headteachers share ideas				
	for interventions.				
	d. How has HTS spent the PP allocation this year?	AMG			
	The full annual report will be available next meeting.				
	2. Spelling (SJ & JN)				
	a. Why is spelling such an important element of the curriculum?				
	To reach ARE spelling needs to be good. Spelling has been a key focus at HTS and results				
	have noticeably improved.				
	3. One visit report from TH and SM to follow.				
14.	Governor training and CPD				
<u> </u>	1. Governor training and Cr D				
	Governors were reminded to inform VB of any training courses attended.				
	Coveriors were reminiced to morning of any training courses attended.				
	2 Has any governor attended any training courses since the last ECP2				
	2. Has any governor attended any training courses since the last FGB?				
	None.				
	3. WSCC summer briefings update (previously circulated)				
	JP, SJ and VB had attended the summer briefing session. JP pointed out the key focus of the				
	Link Adviser visit will be Effectiveness of Leadership & Management. The visit to HTS will				

	take place on Tue 16.07.19, to be attended by AMG, CD, JM and RL. Governors agreed that prior to this (after TLE on 07.06.19) a group of governors would meet to review what information will be required.	ALL
15.	Fundraising, PTA and forthcoming events PTA 1. Summer Fair 13.07.19 NB will email governors to ask for help on the day.	NB
	2. The PTA is keen to repeat the camping night bi-annually.	
16.	 AOB TH noted that the next Headteacher Performance Management meeting will take place after half-term. AMG reported that WSCC had inspected the tyre traverse and monkey bars and considered that the wood is substandard and likely to deteriorate. AMG will contact DB Maintenance who installed the equipment and ask them to rectify the situation by liaising with the supplier to replace the items at no cost to the school. JP reported that an email had been received from Nature Nurture who use the Grounds regularly for activities. They expressed some concerns about the state in which the grounds are sometimes found, with rubbish etc, and that bookings can sometimes be difficult to arrange. TH will follow this up to ensure hirers are reminded to clear up properly and to ensure that a replacement lettings administrator is appointed following Jo Steadman's resignation. TH will also reply to Nature Nurture. 	AMG TH
17.	Items for next meeting Subject Leader reports; staff survey summary report; LED lighting update (MA/PR/CD); toilet blocks (PR); Governor Fund: total and proposed spending plans; Pupil Premium annual report; academisation (<i>if needed</i>); succession planning (<i>if needed</i>)	
18.	Date of next meeting: Wed 3 Jul 2019 6.00pm The meeting ended at 8.20pm	

Approved and signed:
