

External Data 2018

Dear Parents,

I am writing to you to inform you of our whole school results this year, where we have had to report our data to the Local Authority. We report the percentage of Reception children, who have achieved a “Good Level of Development,” the percentage of children who have met the Year 1 Phonics Assessment and the percentages of Year 2 children who have achieved Year 2 Age Related Expectations in reading, writing and maths. The Year 2 SATs data results are based on teacher assessment and whilst there are test papers these are carried out and marked internally, but are just a confirmation of the teacher’s judgements and the children’s results are not based purely on the test.

Year 6 writing levels are based on teacher assessment and I am pleased to inform parents that Year 6 writing was moderated by the Local Authority and all our judgements were agreed by the moderator. Key Stage 2 SATs results are based on reading, maths and spelling, punctuation and grammar tests, which are marked externally.

As Headteacher of Holy Trinity CE (A) Primary School, I am delighted to share these excellent results with you, so that we may all celebrate the hard work both children and staff have put in, to achieve such positive results.
