Dear parents,

My name is Miriam Teppich and I currently teach violin at St. Holy Trinity Primary School.

There are so many educational benefits of learning an instrument which have been well documented but I believe the primary reason is for enjoyment and appreciation of music, which is a lifelong journey of discovery and the more we learn, the more we enjoy. Your child will learn skills that they can be proud of and with some practice, will produce a good sound and play familiar and new melodies within the first year.

I have a limited number of spaces available and if your child is interested, please contact me through my website <https://miriamteppich.com/>

It is possible to hire violins at a reasonable price at <https://www.westsussexmusic.co.uk/make-music/instrument-hire/> and for families who meet the criteria, bursaries can be available to help with the cost of lessons from West Sussex Music <https://www.westsussexmusic.co.uk/make-music/help-with-costs/>

For your information, prices are as follows:

Group lesson (20 or 30 mins. 30 mins for 3 or more pupils) £9.90

I offer 11 lessons per term.

Yours sincerely,

Miriam Teppich
